

Thank you for purchasing the Gabriel-Paris Neck Sofa.

Features:

- Elegantly designed to fit around the neck while resting comfortably on the upper back and shoulders. Therefore, providing exceptional support and relieving tension and stress.
- Patented design allows for versatility. Use in 4 distinctive ways and up to 12 different comfort positions.
- Support structure embedded inside the memory foam provides optimal weight support while at the same time allowing for maximum product flexibility.
- Fits snugly and won't slip off the shoulders.
- Removable and washable pillow case. (See Product Care)
- Includes color-matched backpack style bag.

Effectiveness:

- Helps to support your head and neck while in a sitting or standing position.
- The built in support of the Neck Sofa will ease tension and relieve muscle pain, stiffness and fatigue.

Suggested Use:

- During travel in airplanes, cars, buses, trains... etc.
- At home watching TV, playing video games, reading or simply taking a nap.
- At work while working on a computer or any device that requires your head to look downward.
- Wear Neck Sofa at outdoor sporting events, movie theaters' or simply as a warm collar in cold weather.
- Ask your Doctor if you should wear the Neck Sofa as a neck support while recovering from a medical condition.
- To relieve pain and or headaches being caused from symptoms of forward head position. (When your ear does not align properly with your shoulder but is in a forward position).
- Comfortably fits the average neck size 10.5" to 17" / 27 cm to 44 cm

Product Care Instructions:

- Do NOT machine wash or soak pillow in water.
- Do NOT expose pillow to sunlight for extended periods of time.
- Do NOT try to remove or break the inner supportive structure.
- Do NOT crush or compact pillow for extended periods of time.
- The outer pillow case is machine washable in cold water, wash separately or with dark colors.
DO NOT USE BLEACH
- Tumble dry outer pillow case on low or delicate cycle or simply air dry.
- Avoid any and all harsh chemicals.

Warnings:

- Do NOT use Neck Sofa while driving or operating any type of motor vehicle.
- Do NOT allow children or pets to chew or swallow any memory foam. The Neck Sofa is not a chewing toy.
- Discontinue use of this product if it feels too tight around your neck or causes any type of discomfort.
- Not for children under age 3. Always supervise your child.

Additional information:

The Neck Sofa Pillow is made of a dense, temperature sensitive memory foam. The warmer the memory foam, the softer the feel. The cooler the memory foam, the firmer the feel. Use at room temperature for maximum comfort. The memory foam will have a slight odor; this is a natural effect and will not affect your health. The odor will eventually disappear within a few weeks after opening the packaging.
